Conductor Lindsay Bronnenkant

## Winter Concert: "Creatures in the Deep"

SUNDAY, MARCH 1, 2026, 3:00 PM

Pre-Concert Talk 30 minutes prior to performance

Pirates, whales, and Godzilla, oh my! Come explore the depths of the sea with this mix of old and new favorites. Classic highlights include Gustav Holst's *Hammersmith* (written along the River Thames) and Percy Grainger's *Molly on the Shore*. Also included are newer works such as a symphonic suite from *Pirates of the Caribbean*, Benjamin Horne's arrangement of the spiritual "Deep River," and Lindsay Bronnenkant's depiction of the ruler of the sea in Tarot cards, "The King of Cups."

The program is bookended by a sparring between Godzilla and Moth[ra], featuring Viet Cuong's *Moth* and Eric Whitacre's uproarious *Godzilla Eats Las Vegas*. You won't want to miss this concert, but beware... some of these creatures might show up to the performance!
